

BANDEOKE SONGBOOK

Bandeoke Songbook

Bandeoke is live band karaoke — you take the mic, and a full live band plays behind you. Pick a song from the list, put your name down, and we do the rest. No backing track, no screen to read off, just a band following you. 181 songs to choose from.

Francis is a live wedding and party band based in Milton Keynes, fronted by Alex Wesley. Bandeoke works best with 40 guests or more, and is at its strongest somewhere between 80 and 200. It can run on its own or alongside a normal band set — most people warm the room with the band first, then hand the mic over. PA, lighting and a host who knows how to get people up are all included.

How a Bandeoke Night Works

- 1 Have a look through and pick a song. Two if you are feeling brave.
- 2 Put your name down — in advance, or on the night with our host.
- 3 You get called up, handed the mic and introduced. The room is already on your side.
- 4 The band follows you. Slow down, speed up, forget the words — we cover for you.
